RE: **Public Right of Way Dedication – Second & Walnut Street**

PURPOSE

The attached bill authorizes the City Manager to convey a section of city owned property to permanent public right-of-way along Second and Walnut Street.

BACKGROUND

The City of Cameron currently owns one contiguous tract of property located in Block 56**,** Original Town of Cameron, along Second Street between Main Street and Walnut Street. The City intends sell a small section of this property, known commonly as building the 43rd Probation and Parole Office most recently occupied, more particularly described in the attached Exhibit A, and marked on Exhibit A as Tract #2.

During the survey to define and complete the legal description in order to record the parcel split, it was discovered there was no right-of-way beyond the edge of the street. Consequently, we have identified and described the amount of additional property currently owned by the City of Cameron that needs to be dedicated as permanent right-of-way. This property is defined in the attached Exhibit as Tract #3 and Tract #4.

RECOMMENDATION

Recommend the Council adopt the attached bill authorizing the City Manager to transfer the property owned by the City of Cameron to permanent public right of way.
