RE: Tax Increment Financing (TIF) Commission Appointments

Issues

The City's TIF Commission was established in 1994, and consists of 11 members, representing the school district, county and city. The City of Cameron has six members, and two terms have recently expired. The terms of Randy Gould and Gib Keith are expired. The Chairman, Bill Hall reports that they are both interested in continuing to serve on the Commission. The terms are for four years.

Recommendation

Staff recommends that the Council consider the re-appointments of Randy Gould and Gib Keith to the TIF Commission.
