RE: Liquor License Application

Issues

The Cameron Chamber of Commerce is planning for the Independence Day celebration in Cameron and has submitted an application for a Picnic Liquor License for this event which is being held July 5, 2013. The Chamber will request permission to use the liquor license in McCorkle Park. Council will be presented a bill for approval at the next Council Session allowing consumption of alcohol in McCorkle Park for this annual event. A Code change is required and the bill will need to be read at three (3) separate Council Sessions per our policy. The Police Department has completed their usual limited background check allowed by law of the applications and has no legal objections to the license being issued. As always, the City license is only good in conjunction with the proper state liquor control license and the county license.

This application for Limited Picnic Permit Liquor License will be subject to Special Event Guidelines if it is approved by Council.

Recommendation

Review the application and approve the request by way of a voice vote.
