RE: Lagers Delegate to Represent the City of Cameron

Issue:

The annual meeting for the Missouri Local Government Employees Retirement System will be held October 30-31, 2014 in St. Louis Missouri. State Statute requires each political subdivision to certify the name of one (1) delegate who is a member of the governing body and one (1) employee delegate. There is currently an election being conducted for the employee delegate. Council needs to appoint their delegate. The delegate appointed by the Council can be a member of the governing body or their designated agent.

Recommendation:

Appointment by way of a motion and vote is needed to certify the governing body delegate.
