RE: Bill Amending Sign regulation for Non-Residential uses (Article 23, Section 7-A-4)

Please find the attached Bill amending the above referenced Zoning Article for your consideration. At the October Planning and Zoning Commission meeting, staff was directed to prepare a Bill incorporating language agreed upon by the Commission to be forwarded to City Council. Article 23, Section 7-A-4, "Permitted Signs for Non-residential Uses in Districts R-1 and R-2: "shall be amended to read as follows:

a) Total square footage of signs shall not exceed 50 square feet per lot of record defined by the County Assessor.
b) The electronic message portion of a sign may not exceed fifty (50) percent of total sign area (this applies to existing or proposed freestanding signs which incorporate both electronic messages and conventional signs).
c) Set back must be ten (10) feet from the property line.
d) Corner lots may have the sign oriented at 45 degrees for visibility on both streets.
e) Sign cannot exceed a height of 8 feet.
f) Electronic message centers must be installed with a photo cell dimmer or some other automatic dimming device (typically dims at sunset, or can be programmed to dim at specific times).
g) Sign cannot operate between the hours of 10:00 p.m. and 6:00 a.m.
h) No minimum hold time or interval of change shall be required (this can be controlled as well).
i) Text and moving pictorial images shall be permitted. However, no sign shall have blinking, flashing, or fluttering lights or any other illuminating device that changes the intensity, brightness or color of the sign background.
