SPECIFICATIONS & CONTRACT**

## FOR RESIDENTIAL WASTE COLLECTION

THIS AGREEMENT, dated this \_\_\_\_\_ day of \_\_\_\_\_ 2012, by and between the CITY OF CAMERON, MISSOURI, hereinafter called the "CITY", and **R & W Container** a corporation organized and existing under the laws of the State of Missouri, hereinafter called the "CONTRACTOR"

### WITNESSETH:

In consideration of the premises and the mutual promises, covenants and agreements herein contained, the adequacy and sufficiency of which are hereby acknowledged and confessed, the parties hereto do mutually promise, covenant and agree as follows:

### TERM OF CONTRACT

This contract shall be in effect for a period beginning October 1, 2012 and terminating September 30, 2014. The City and the contractor shall have the right to amend the contract, by mutual agreement, where such amendment appears beneficial to both parties, such amendment(s) to be made at the end of each term of the contract. At the option of the City, the contract may be extended for a second term and, at the option of the City for a third term, at the negotiated price or prices submitted by Contractor for such second and third terms.

### SCOPE OF SERVICES

1. During the term of this contract, the undersigned Contractor shall collect, transport and dispose of all residential solid waste (as defined in Chapter 5, Article III, Cameron City Code and Missouri State Statute) generated by the occupants of all dwelling units within the City of Cameron, Missouri, in accordance with the specifications and in compliance with the contract documents hereinafter enumerated. No commercial, industrial, institutional, or agricultural establishments shall be included in this contract.
2. Contractor shall furnish all labor, vehicles, tools, equipment, and all other facilities necessary to fulfill the terms of this contract, at no additional cost to the City.
3. Contractor shall provide a year round yard waste drop-off site and a seasonal weekly curbside yard waste collection for residents.
4. Contractor shall provide for collection of city and park facilities and large item bulky trash.

### TYPES OF ACCOUNTS

1. Residential Collections:

- a) Dwelling Units: shall mean, for the purpose of this contract, each single-family household, individual condominium units, or duplex which has an individual residential water and/or electrical meter hook-up and each trailer in a mobile home court;
  - (1) Collection of unlimited solid waste containers shall be either at the curb or in the alleyway, no less than one (1) time each calendar week;
  - (2) The number of units covered by this contract shall be determined by the number of dwelling units within the city limits and as by City collections, which is approximately 2,250 dwelling units;
  - (3) Service shall be extended to all new or additional dwelling units immediately upon request for service by City. The Contractor shall provide this extension of service for the same unit price as specified. The number of dwelling units specified in this contract may also be reduced when it is determined by the City that such units are no longer generating solid waste;
  - (4) Residential solid waste shall be stored in containers of not more than thirty-five (35) gallons nor less than twenty (20) gallons in capacity, and shall not exceed seventy-five (75) pounds in weight. Containers shall have handles or other suitable lifting devices and tapered sides for easy emptying.

2. City Facilities:

- a) Furnish and service no less than one (1) time each calendar week, a four (4) cubic yard (minimum) dumpster at the following locations:

- Airport - 11766 NE Hwy A
- City Hall - 205 N. Main
- Dog Pound - 521 S. Elm
- Electric Dept. - 208 N. Main
- Parks Dept. - 740 Tracey
- Public Safety - 101 W. 2<sup>nd</sup>
- Public Works - 101 E. 2<sup>nd</sup>
- Water Plant - 1100 W. 8<sup>th</sup>

3. Seasonal Public Parks:

- a) Furnish and service no less than one (1) time each calendar week, a four (4) cubic yard (minimum) dumpster at various locations in public parks throughout the City, not to exceed five (5) dumpsters;
- b) The Director of Public Works shall notify the Contractor in advance, of the months when Contractor shall make the seasonal pickup, approximately seven months, of solid waste generated at public parks;
- c) Payment will only be made during such seasonal period.

4. Large Item or Bulky Trash Pickup:

- a) The Contractor shall collect and remove all bulky rubbish on the second Friday of every month.

b) The Contractor understands and agrees that different types of equipment may be used and required to transport bulky rubbish which, because of its size or weight is not susceptible to being loaded and unloaded in vehicles described in this contract, but in no event shall such vehicles be operated without adequate cover or binding to prevent spillage of waste therefrom and in accordance with all applicable rules and regulations.

c) Payment shall be made each month in conjunction with the Residential Collections.

#### 5. Yard Waste:

The collection of yard waste is not included or billed through this contract, but shall be offered as an additional service residents may contract directly for with Contractor. Contractor shall provide a seasonal weekly curbside yard waste collection for residents. Collection shall be completely separate from regular weekly collections. Contractor shall also provide a year round yard waste drop-off site for residents. The physical address of location of drop-off site shall be provided to City, and may require additional City Permits. Yard Waste shall mean, for the purpose of this contract, grass clippings, leaves, and bush and tree trimmings.

### **COLLECTION TIMES & ROUTES**

1. Collection shall be made between the hours of 7:30 am and 5:00 pm, Monday through Thursday;
2. The City has an established schedule of four 'zones' that are collected on certain days. Schedule may not be amended or changed, which will cause change the pre-established pickup day for any dwelling unit.
3. Contractor shall forward to the Director of Public Works a route schedule of operation, within thirty (30) days after contract execution, showing the street address where he will commence pickups on a daily schedule and the route they will travel to completion.
4. The Contractor shall, follow this schedule as closely as possible. Exceptions may be made only when the Contractor has proved that it is not reasonably possible to service an existing route due to timing of extenuating circumstances such as emergencies, weather, or other unforeseen events. In any event, prior approval is required for any modification.

### **HOLIDAYS**

The following are the approved holidays for which collection will not occur: New Year's Day, Martin Luther King Day, Presidents Day, Memorial Day, Independence Day, Labor Day, Veterans Day, Thanksgiving, and Christmas Day. If a holiday occurs or falls on a regularly scheduled collection date, the collection ordinarily made on that day by said Contractor shall be made on the next succeeding day, it not being the intent of this agreement that the occurrence of said holiday shall not excuse the Contractor from making one (1) collection per week from each dwelling unit. The Contractor, along with notification by the City, shall publish changes in collection days due to holidays in advance in the local newspaper, or other media sources.

### **CONTRACTOR RESPONSIBILITIES**

Contractor shall provide all facilities, equipment, personnel, and supervision as may be required to satisfactorily accomplish the provisions of this agreement, including, but not limited to:

1. Vehicular Requirements:

- a) All collection equipment vehicles shall be maintained in a safe, clean and sanitary condition;
  - b) Said vehicles and equipment shall be compactor collection type trucks constructed, maintained and operated so as to not permit the contents thereof to blow, fall, leak, spill from said truck;
  - c) Said vehicles and equipment shall be constructed with liquid-tight and water-tight bodies with covers which shall be an integral part of the vehicle, or the entire bodies thereof shall be enclosed with only loading hoppers exposed;
  - d) Said vehicles must be hosed and cleaned daily and must be steam cleaned regularly;
  - e) Contractor shall not use pup trailers, or trailers of any sort attached to other collection trucks, in the collection of solid waste;

3. Be licensed to conduct business within the City.
4. The Contractor shall pick up and dispose of all refuse that has been strewn about in the immediate area by an animal or animals; created by weather conditions or strewn about during the collection process. The City will assist with animal control enforcement where repeated litter caused by animals occurs. Additionally, Contractor shall ensure that no litter or debris shall be left at any point after collection has been made.
5. Shall replace all lids securely back on to trash receptacles or place lid inside of trash receptacle.
6. Contractors Employees:
- a) The Contractor shall require employees to be courteous at all times, to work quietly and not to use loud or profane language and to obey all traffic laws. Each employee's clothing will be as neat and clean as circumstances permit. Shirts will be required at all times;
  - b) The Contractor's employees shall follow the regular walks for pedestrians when on private property, shall not trespass or loiter on private property, and shall not cross property to adjoining property, and shall not meddle or tamper with property which does not or should not concern them. Each employee assigned to drive a vehicle shall always carry a valid driver's license for the type of vehicle he is driving;
7. The Contractor understands and agrees that some residents are handicapped because of age, injury, or sickness and are unable to place their residential waste at the curb; and in those special cases, Contractor agrees to make special arrangements to pick up. However, in no case shall

Contractor or his appointed employees enter dwelling units or other residential buildings for the purpose of collecting residential solid waste.

## **DISPOSAL**

All solid wastes collected, by the contractor, for disposal shall be immediately hauled to a site or sites or facility or facilities legally empowered to accept it for treatment or disposal. No solid waste which has been collected by the Contractor shall be kept, stored or maintained within the city limits of the City beyond 8:00 p.m. on the day it was collected. All trash collected from private dwelling units and solid waste from City Facilities and Seasonal Public Parks shall be removed to a licensed landfill or licensed transfer station. If stored in a transfer station, then all solid waste must eventually be deposited in a licensed landfill. The City of Cameron is a member of the Region D Recycling and Waste Management District and does have preference for waste to be deposited in a licensed landfill located within the Region D Solid Waste District.

## **INSURANCE & BONDS**

### **1. General Bonds & Insurance Requirements:**

All insurance policies, bonds and or other sureties herein provided for shall specifically name the City of Cameron, Missouri as additional co-insured except as otherwise may be specified, and said insurance shall be carried in a firm or corporation, which has been duly licensed or permitted to conduct such business in the state of Missouri. Such insurance shall be maintained in force during the full term of this contract. A certified copy of such insurance policy or policies shall be filed with City of Cameron, Office of the City Clerk, together with the certificate of the insurer that the policy or policies are in full force and effect and that same will not be altered, amended or terminated without thirty (30) days prior written notice given to the City.
