DATE: September 14, 2017

RE: Lagers Delegate to Represent the City of Cameron Governing Body

Issue:

The annual meeting for the Missouri Local Government Employees Retirement System will be held October 19-20, 2017 in Lake Ozark, Missouri. State Statute requires each political subdivision to certify the name of one (1) delegate who is a member of the governing body and one (1) employee delegate. There is currently an election being conducted for the employee delegate. Council needs to appoint their delegate. The delegate appointed by the Council can be a member of the governing body or their designated agent. City Manager Gaugh has expressed interest in attending as designated agent if no one else is able to attend.

Recommendation:

Appointment by way of a motion and vote is needed to certify the governing body delegate.
