RE: **Annual Write-Off – Uncollectible Utility Accounts**

Issues

Council has the authority to write off bad debts. Staff has implemented an annual write off for uncollectible utility accounts. To that end, Ordinance 5189 was passed February 2005 allowing Staff to write off past due accounts.

Staff reviewed accounts and prepared the attached list for January 2017 through December 2017 (totaling $24,206.90) for your consideration. This amount has decreased from last year by $1813.32. The Uncollectible Account list contains accounts that are inactive and have been inactive at least two (2) years or longer. Staff will continue working on collection efforts by verifying new applications for utilities with the bad debt list. Any past due balances will be collected via an additional utility deposit before utilities are allowed to be set up by these customers. Last year 87 accounts were written off compared to 85 this year.

Recommendation

As this is a housekeeping matter, staff recommends approval following your review.
