RE: Liquor License Application

Issues

Anthony Geib, operating as Washington Street Food and Drink Company located at 601 East Baldwin Street, has submitted an application for Retail Liquor by the Drink Resort and Sunday by the Drink liquor licenses. Mr. Geib, under Geib Restaurant Partnership, has purchased Ma & Pa's Kettle. As always, the City license is only good in conjunction with the proper state liquor control license and the county license. Mr. Geib has furnished the City his entire packet for application to the State of Missouri and all documents are in order. A pro-rated fee has been paid for this license which will expire in June 2014.

Recommendation
