RESOLUTION 2017-12

AGENDA ITEM

TO: Mayor and City Council

FROM: Drew Bontrager, Public Works Director

SUBJECT: Purchase New Recycling/Work Release F250 Truck

DATE: June 5, 2017

PURPOSE

The attached Resoltuion would authorize the City Manager to execute an agreement with Shawnee Mission Ford for the purchase of a 2017, F250 cab & chassis and associated utility service body equipment.

BID PROCEDURE

Resolution 2004-16 petitioned the Missouri Department of Transportation for acceptance of membership into the Cooperative Procurement Program under Missouri State Statutes Chapter 67.360, RSMo, which authorizes political subdivisions to participate in a joint purchasing program with the State of Missouri.

Shawnee Mission Ford was awarded one of the Missouri Department of Transportation's Bid #3-170105TV Medium Duty Vehicles. The utility service body and associated equipment is also included through the Shawnee Mission Ford package bid.

According to the State of Missouri website there are a total of nineteen different bids on the Fords, but Shawnee Mission Ford is the only relatively local dealer offering the cab & chassis along with the service body equipment. Our Work Release Foreman did check with the local Chevrolet dealer, but their price was higher and they could not offer the same bid for the utility service body and associated equipment.

DISCUSSION & FINANCING

This is a standard 2017, F250 crew cab, four wheel drive with utility body and will replace a 2006, F250 crew cab, four wheel drive with utility body. This truck is utilized by our Work Release Department for our recycling operations. With the purchase of this replacement truck, we would ask the Council to declare the current unit surplus, and use any money from the sale towards the new truck. Delivery of the new truck is scheduled for 90-120 days from the date of Council approval.

The price of truck cab and chassis is $29,804.00, with a totaled delivered price of $37,784.00 for a complete unit. Funding for this purchase is included in the Solid Waste Capital Projects at $29,000. We were also successful in obtaining a grant of $20,000 for the purchase of a new recycling truck through Region D Recycling & Waste Management District. The grant will cover over 50% of the purchase, leaving a cost to the Solid Waste Fund Capital Budget of $17,784.00.

RECOMMENDATION

We are recommending the Council adopt the attached bill authorizing the City Manager to sign the agreement with Shawnee Mission Ford and declare the current Recycling/Work Release 2006 F250 surplus to be sold.

Resolution 2017-12

A RESOLUTION FOR THE CITY OF CAMERON, CLINTON, DeKALB AND CALDWELL COUNTIES, MISSOURI ACCEPTING A BID THROUGH THE MISSOURI DEPARTMENT OF TRANSPORTATION BIDS FOR A F250 MEDIUM DUTY VEHICLE AND ASSOCIATED SERVICE BODY EQUIPMENT AND DECLARING A 2006 F250 TO BE SURPLUS AND SOLD
