RE: Liquor License Application

Issues

Sajid Farooqui, operating as Discount Smoke, Inc. located at 318 South Walnut Street, has submitted an application for Original Package Liquor and Sunday Original Package Liquor Licenses. The Police Department has completed their usual limited background check allowed by law of the applications and has no legal objections to the licenses being issued. As always, the City license is only good in conjunction with the proper state liquor control license and the county license.

Recommendation

Review the application and approve the request by way of a voice vote.
