2010-2011 Cameron Residential Property Taxes*

City: $159

Total: $991

*Based on average 2009-10 residential assessed value in Cameron of $85,000.

The taxes in this charge are based on the 2009-10 City Tax Levies and tax levy projections for the other governmental jurisdictions as those jurisdictions have not yet finalized their tax levies for 2009-10. Also, please note that the City provides additional services such as Electric, Water, Landfill, Solid Waste, and Sanitary Sewer that are not funded by property taxes and the City has additional revenue sources which support the aforementioned services as well as the services identified in the graphic. For the complete breakdown of all City expenditure categories and revenue sources please see the following budget book.
