RESOLUTION 2017-14

Agenda Item

TO: Mayor and City Council

FROM: Drew Bontrager, Public Works Director

DATE: June 5, 2017

RE: **AWOS Installation Project Award to Kimrey Electric**

BACKGROUND

This is a bid award with Kimrey Electric for the Installation of an Automated Weather Observing System, (AWOS – III P/T) Project, at the Cameron Memorial Airport.
Once the Notice of Award is completed, this allows Kimrey Electric to obtain all the bonding, insurance and other documents required to enter into the contract for services and bring back to Council for the contract agreement.

The low bid of $232,559.00, from Kimrey Electric has been reviewed and approved by Lochner to issue Notice of Award. The total cost for this project, including advertising for bids, engineering, construction and construction services totals $283,009.00. This is included in our current Capital Improvement Plan in this fiscal year's budget.

Funding for this project comes from grant money or Non-Primary Entitlement funds. This does require a ten percent match, or $28,300.90. Since the design work is complete, the remaining funds we have to pay are approximately $24,843.00.

The AWOS is a suite of sensors which measure, collect and disseminate weather data to help meteorologists, pilots and flight dispatchers prepare and monitor weather forecasts, plan flight routes, and provide necessary information for aircraft takeoffs and landings. It will be used for the purpose of gathering and transmitting weather conditions at the Cameron Memorial Airport as required by the Federal Aviation Administration and MoDOT Aviation. This is part of our overall Airport Layout Plan.

We began this process in 2013 with the research and determination of the type of AWOS required for our facility, followed by easement acquisitions and design.

RECOMMENDATION

We recommend the Council accept the bids, and award the low bid to Kimrey Electric for the Installation of an Automated Weather Observing System, (AWOS – III P/T) Project.

Resolution 2017-14

A RESOLUTION FOR THE CITY OF CAMERON, CLINTON, DeKALB AND CALDWELL COUNTIES, MISSOURI ACCEPTING THE BIDS FOR THE AUTOMATED WEATHER OBSERVING SYSTEM (AWOS – III P/T) & AWARDING BID TO KIMREY ELECTRIC

WHEREAS, the City of Cameron did advertise for bids and receive a total of two (2) bids, with Kimrey Electric the lowest and best bid; and

WHEREAS, H W Lochner, Inc. has reviewed the bids and recommends award of the low bid to Kimrey Electric.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, CLINTON, DeKALB AND CALDWELL COUNTIES MISSOURI, AS FOLLOWS:

Section 1. The City Council of the City of Cameron does hereby accept all bids submitted and received relating to the Install Automated Weather Observing System (AWOS – III P/T), pursuant to bid specifications, and hereby awards the low bid of $232,559 to Kimrey Electric.

Section 2. This Resolution shall become effective upon the date of its adoption.

Section 3. The City Clerk is hereby authorized to attest to the Mayor's signature for all documents evidenced in this Resolution.

Passed and approved this 5th day of June 2017.

_____
Mayor Darlene Breckenridge
