RE: Scobee Powerline Agreement

Issues

The attached ordinance will allow for the execution of contract documents for the West St. Three-Phase Power Line project. The bids for this project were approved by Council at the January 6, 2014 meeting. Scobee Powerline Construction was the lowest bidder. It consists of replacing the line running from West St. to near Orange St. Once the contract documents are signed, a notice to proceed can be issued to Scobee to begin work. We bid the work in winter in order to give the contractor time to schedule for spring/summer construction.

This ordinance authorizes staff to execute ancillary documents/changes as necessary to complete the project within the terms of the contract.

Recommendation

Staff recommends that the Council approve the ordinance to enter into agreement with Scobee Powerline Construction, LLC.
