RE: Liquor License Application

Issues

Jerri Ann Eddins, doing business as Designers Touch LLC located at 504 Lana Drive, has applied for a 5BDW-5% By Drink Wine liquor license. Ms. Eddins will be serving wine in conjunction with some of the services her salon offers. All of the required documents have been submitted including a pro-rated fee. All liquor licenses expire June 30, 2014 and this license would need to be renewed at the same time as all other licenses issued in the City.

Recommendation

We need a motion and voice vote for approval to issue the 5BDW-5% license for Ms. Eddins at Designers Touch LLC.
