RE: Annual Liquor License Approvals

Issue:

Liquor licenses expire June 30th each year. The attached list of renewal applications is complete with applicants submitting all the required documents and fees. As always, the City of Cameron liquor license is only valid in conjunction with the appropriate County liquor license and a liquor license from the State of Missouri for each establishment.

Letters of approval will be issued to those approved applicants. A City of Cameron License will be issued when the applicant provides a copy of their State of Missouri Liquor License.

Note: *Discount Liquors, 318 South Walnut, has not submitted their application at this time. Once the application is submitted, it will be placed on the next available agenda for consideration.*

Recommendation:

Council can review and approve the applications either as a whole or individually for renewal with a motion and voice vote.
