RE: Cameron Memorial Airport Pavement Maintenance Project, MoDot No.13-013A-1, Vance Brothers, Inc Contract

The Pavement Maintenance Project involves clean and seal joints and cracks, remarking of Runway 17-35 and connecting taxiways, apron, and parallel taxiways and lanes; and entrance road rehabilitation and paving repairs.

At the previous meeting the Council approved the low responsive bid of $384,459.51, from Vance Brothers, Inc and issued a Notice of Award. Vance Brothers, Inc who has now obtained all the bonding, insurance and other documents required to enter into the contract for services.

Funding for this project comes from grant money or Non-Primary Entitlement funds. This does require a 5% and 10% match and is included in our budget.

Once we have the executed agreement with Vance Brothers, Inc we will forward to MoDot for final approval. When we have MoDot final approval we will conduct a pre-construction meeting and issue a Notice to Proceed. Vance Brothers, Inc will have 21 calendar days to complete the project.

Since bids were approved and the Notice of Award was issued at the previous meeting, we are recommending both readings tonight. This will also ensure we meet the construction timelines with MoDot.
