RESOLUTION 2014-26

Agenda Item

TO: Mayor and City Council

FROM: Mark S. Gaugh, City Manager

DATE: August 4, 2014

RE: Emergency Repair to Lift Station #10 Resolution

Issues

The Resolution authorizes expenditure to repair Lift Station #10, which is one of the larger pumping stations handling wastewater flow from the north part of Cameron's Crossroads Development District, as well as the correctional facilities. A pump failure has occurred that cannot be isolated due to valves that are not closing the flow off enough to make the repairs. A bypass line will be installed, along with the replacement of several gate valves and check valves. The bypass will remain in place after the work is completed. So, in the future, this station can be pumped around during emergencies.

We have one bid of $95,925 to do the work, and are waiting on the second bid, which should be in our hands by the time of the Council meeting. We want to get this item on this Council agenda, because of the need to get the repairs made as soon as possible. A failure of this station will result in sewage discharging into the environment.

Recommendation

Staff recommends the Resolution be passed to authorize the repairs. We expect to have two bids for the work by the time of the Council meeting. A fund reserve transfer will be made to cover the expense.

Resolution 2014-26

A RESOLUTION FOR THE CITY OF CAMERON, CLINTON AND DeKALB COUNTIES, MISSOURI AUTHORIZING EMERGENCY REPAIRS TO LIFT STATION 10

WHEREAS, One (1) of the pumping units at lift station 10 has failed, and the lift station is critical for wastewater transport from the area around the correctional facilities to the wastewater treatment plant; and

WHEREAS, the station has three (3) pumps, and a third pump is necessary for reliability of the station; and

WHEREAS, Alliance Water Resources, the City's contract operator for the treatment plant, is obtaining two (2) quotes for the emergency repair, which is expected to be around $96,000.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Cameron, Clinton and DeKalb Counties, Missouri, as follows:

Section 1. The City Council of the City of Cameron authorizes the repair to lift station 10 to take place as soon as the bids are evaluated.

Section 2. This Resolution shall become effective upon the date of its adoption.
