RE: Cameron Housing Authority Re-appointment

The Cameron Housing Authority consists of five (5) members who have staggered term expiration dates. In 2010, the term of Marie Smith expired. Marie Smith has agreed to serve an additional four (4) year term. Under the Housing Authority code of the State of Missouri, it is the responsibility of the local City elected officials (City Council) to make appointments to the Housing Authority.

There will be an additional appointment on the December 6th agenda due to the death of Lauretta Moore. Ms. Moore's appointment was scheduled to expire in 2013 and so the appointment will be to fill the unexpired term. Staff is still receiving resumes or letters of interest and will have them for your consideration. At this time we have two candidates.

Recommendation:
The Cameron Housing Authority recommends the re-appointment of Marie Smith to the Board.
