RE: Building Permit Fees

Issue:
Our construction permit fees are far from covering our expenses. Cameron's fee schedule was last changed in 1998 and is below the area average by quite a bit in some cases. Cameron is on the bottom end of the scale as far as fees for Occupation Licenses, Zoning, Variances', Conditional Use, subdivision plat and several other fees and as with our utility rates we continue to fall further behind.

Listed are 2014 Building Permit fees from Cameron, Kearney and Chillicothe:

	Cameron	Kearney	Chillicothe
Min permit fee:	$9.00	$30.00	$25.00
New Commercial:	$0.20 per Sq Ft.	$0.40 Psf	Sq ft X $ psf (BVD) X .84 X .00235
Remodels:	$0.1 Psf	$0.2 psf	$6.00 per $1.000. ($25.00 min)
Electrical:	$9.00 min	$30 - $70.	$6.00 per $1.000. ($25.00 min)
Plumbing:	$9.00 min	$30.00 min	$6.00 per $1.000. ($25.00 min)
Misc permits	$9.00 min	$30.00 min	$20.00 min
Demo Permits	$0.00 ($500.00 refund)	$30.00	$30.00

Our "Minimum" permit fee; last year 2013 we sold 114 permits; 48 of the permits were under $30.00 each.
<u>I would like to increase our minimum permit fee from $9.00 to $30.00</u>.
This increase still would not cover the cost of logging, processing and inspection costs.

"Electrical" permits; 2010 – 2013 we sold 159 electrical permits for service upgrade.
The majority of the permits sold for $9.00 each; with the permit we furnish an electrical meter base valued at;
$26.44 for a 100 AMP meter base,
$40.28 for a 200 AMP overhead meter base,
$44.77 for a 200 AMP underground meter base.

At best we furnished $4,203.96 worth of meter bases and collected $1,431.00, <u>a loss of $2,772.96</u>.
Worst case, we furnished $7,118.43 worth of meter bases and collected $1,431.00; a <u>$5,687.43 loss</u>.

Not only do our permit fees not cover our meter base costs, but fees collected don't cover any inspection costs, electric crew's time or equipment required in disconnecting and re-connecting the service.

Actual costs;
Meter base ========== $40.28 (200 AMP Overhead meter base)
Truck / equipment ==========$30.00 (includes 2 trips – disconnect & reconnect)
2 linemen 30 min each ==========$51.48 (includes 2 trips – disconnect & reconnect)
Permit & inspection ========== $20.25
Total cost requiring only 1 inspection= $142.01

I propose raising our minimum permit fee for electrical permits to $50.00, which will still not cover all our costs.
