RESOLUTION 2015-2

Agenda Item

TO: Mayor and City Council

FROM: Mark S. Gaugh, City Manager

DATE: February 2, 2015

RE: Trail Extension Resolution

Issues

The attached Resolution is for Council consideration of a trail extension on the east side of Eagle Lake. Eagle Lake was previously referred to as #3 Reservoir. The work was briefly discussed in the past to be fill-in work that would be done with in-house crews. A gravel/chat trail would be an extension of the trail system that was completed on the east side of Sunrise Lake (formerly #2 Reservoir). But, the extension would not be asphalt. It would be a more primitive gravel/chat trail.

Recommendation

A motion and second are needed to discuss and approve/deny the Resolution.
