RE: TIF Commission Appointments

Issues

The City's Tax Increment Financing Commission (TIF) is comprised of four-year, staggered terms. In April, 2015, the terms of Richard Kessler and Ken Raffety expire. Mr. Kessler does not seek re-appointment, and Mr. Raffety is willing to serve another term.

We will seek to fill the term of Richard Kessler and present interested applicants to Council for consideration.

Recommendation

Staff recommends that the Council approve the re-appointment of Mr. Raffety to the TIF Commission.
