RE: Conditional Use Permit – 524 N. Chestnut

Please find the attached unapproved minutes, Petition and Bill for Conditional Use Permit for a Dog grooming occupation made by Trillian Teller. On August 10, 2015 the Planning and Zoning Commission at a Public hearing recommended approval in a 4 to 0 vote (with one abstention), of the proposed Dog grooming business located in an R-2, Two Family Residential District with the following conditions:

Days of operation: Monday through Saturday;

Hours of operation: 8:00 a.m. to 7:00 p.m.;

Paid employees: None;

Kennel use - Dog grooming only with no other services incidental to a kennel allowed.

"Dog Grooming" is not specifically addressed in the zoning regulations as a Conditional Use, but it may be a service offered by Kennels, which are a Conditional Use in an "R-2, Two Family Residential District". There were no concerns expressed by the public about this request. The Council has approved similar requests in the past with conditions recommended by the Planning and Zoning Commission. Staff will be working with the Planning and Zoning Commission in the future on clarifying or amending the existing permitted and Conditional Uses as they pertain to domesticated animals in residential districts.

Options:

1. Approve the Bill for Conditional Use Permit as submitted with conditions as outlined therein;
2. Deny the request.
