Re: P & Z Commission member prospect.

Mr. Larry Rader is interested in an appointed position to either the Planning and Zoning Commission or Board of Adjustment. Mr. Rader served on the Planning and Zoning Commission in Hamilton from 1996 to 2001. Currently there is one vacancy for Planning and Zoning, and one vacancy on the Board of Adjustment.

On September 14th, the Planning and Zoning commission recommended unanimous approval of Mr. Rader as an alternate member to serve as needed on both the Planning and Zoning Commission and the Board of Adjustment.

Options:

1. Recommend approval to appoint Larry Rader as alternate member of P&Z and Board of Adjustment;
2. Take no action at this time.
