RE: Band Contract

Issues

Recently, I had a request from the Cameron Municipal Band for additional funds for program expansion. Since the band contract is coming up for the season, I made the change for funding and made the contract period extending until September 30, 2016. A new contract and budget for the band will need to be submitted and created for the next fiscal year. This should occur around July to be included in next year's budget. This will change the contract period from the summer season, only, to an all-year contract matching the City's fiscal year. This will make the accounting and budgeting easier, but the transition period will not match very well. After October 1, the City budget and Band budget should closely track. Hopefully, this will make future budget comparisons of revenue and expenses easier.

Recommendation

Staff recommends that the Council approve the ordinance for the Cameron Municipal Band contract.
