RE: **2016 Asphalt Street Project Agreement**

PURPOSE

The attached bill accepts the bids for the Cameron 2016 Asphalt Street Project and authorizes the City Manager to enter into an agreement with Metro Asphalt, Inc for the asphalt construction improvements for the 2016 Asphalt Street Project.

DISCUSSION

There were a total of two bids received for this project. Herzog Contracting Corporation submitted a low dollar base bid of $213,421.38. However, Herzog Contracting Corporation modified the bid specifications by adding additional language. One such change moved the completion date to the end of October. Metro Asphalt submitted a total base bid of $229,727.50 and was able to meet all the bid specifications. Additionally, they are the sub-contractors on another project here in Cameron and can complete this work in the month of August.

The bid tab, along with a map of street sections, are attached for your review. Major street sections include E. Fourth St, Talon Drive, N. West Street, Willow Brook Drive, and some patch work on Harris.

RECOMMENDATION

Metro Asphalt, Inc has worked with the City on numerous projects. Each of those projects has been successful. We have all the required documents and executed contract from Metro Asphalt, Inc and are recommending accepting the bids and entering into an agreement with Metro Asphalt, Inc for the 2016 Asphalt Street Project with a base bid of $229,727.50. We are requesting a full reading and approval of this bill at tonight's meeting to get this project completed as soon as possible.
