AGENDA ITEM

TO: Mayor and City Council

FROM: Drew Bontrager, Public Works Director

DATE: October 17, 2016

RE: Engineering Services Agreement with Bartlett & West for Groat Street Project

PURPOSE

The attached bill would authorize the City Manager to execute an agreement with Bartlett & West for design services for infrastructure improvements on Groat Street, from 4th to 8th and 8th Street, from Groat to West.

DISCUSSION & FINANCING

This is the next project from our Transportation Improvement project list and includes Groat Street from 4th to 8th. It will also address 8th Street, from West Street to Groat, along with the intersections of 8th & Groat and 8th & West. Not only is this area on the Transportation Improvement list, but the 8th Street portion is also covered under the Storm Water Improvement Plan List and as Priority Number Six.

The design for this project includes upgrades to Groat Street between 4th Street and 8th Street and 8th Street between Groat Street and West Street to curb and gutter roadway. This will include adding and upgrading storm sewer along both roads and adding 5' ADA compliant sidewalk along both sides of Groat and 8th Streets. There will also be reconstruction of two stop controlled intersections at Groat and 8th Streets and West and 8th Streets which will include curb and gutter and storm sewer upgrades. There will also be reconstruction as needed to driveways along the project corridor.

The schedule for this project includes completion of preliminary design by January of 2017 with an anticipated bid date of the contract by March of 2017. This would allow for anticipated completion of construction late summer of 2017.

RECOMMENDATION

We are recommending the Council adopt the attached bill authorizing the City Manager to sign the Agreement with Bartlett & West for design services for infrastructure improvements on Groat Street, from 4th to 8th and 8th Street, from Groat to West.

We are also requesting a full reading, in order to complete the design in time to send the project to bid this winter for construction next season.

Bill 2016-48

AN ORDINANCE AUTHORIZING THE CITY MANAGER OF THE CITY OF CAMERON, CLINTON AND DeKALB COUNTIES, MISSOURI TO ENTER INTO A PROFESSIONAL SERVICES AGREEMENT WITH BARTLETT & WEST, INC. FOR DESIGN OF THE GROAT STREET IMPROVEMENT PROJECT

WHEREAS, the City of Cameron has determined the need to improve the street, storm water and other improvements along Groat Street from Fourth Street to Eighth Street and Eighth Street from Groat Street to West Street; and

WHEREAS, the design will require the services of a consulting engineer for the engineering design of planned improvements.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CAMERON, CLINTON AND DeKALB COUNTIES, MISSOURI AS FOLLOWS:

Section 1. The City Manager is hereby authorized to enter into an agreement with Bartlett & West to furnish design services for the improvements needed for the Groat Street Project all as per the agreement attached hereto and made apart hereof.

Section 2. The City Manager is authorized to execute ancillary documents and change orders necessary to effect this transaction.

Section 3. The Mayor is authorized to sign this ordinance on behalf of the City of Cameron.

Section 4. The City Clerk is hereby directed to attest to the Mayor's signature.

Section 5. This Ordinance shall be in full force and effect from and after its passage.

Read two times, passed and approved this 17th day of October 2016.

_____
Mayor Jerri Ann Eddins
