RESOLUTION 2016-22

MEMO

To: Mayor & City Council

From: Rick Bashor, Chief of Police

Date: October 5, 2016

Re: SUV Lease-Purchases

Issue:
The Detective Division currently has a 2001 Chevy Suburban that had over 186,000 miles on it that last time the odometer was functioning (in July 2016). The Chief's vehicle is a 2004 Dodge Durango that is approaching the 100,000 mile threshold. Each of these vehicles have reliability concerns due to their age, mileage and increasing maintenance issues but mostly because advancing rust is compromising the vehicles body integrity.

The need for new, reliable SUVs was discussed during the current budget's planning process and a line item was approved for this purpose.

Bids for SUVs were solicited and the results are attached.

Recommendation:
Staff recommends approval of the low bid from Barnes Baker Automotive Group for Ford Explorer Police Utility Vehicles.
