RE: Mayor's Advocacy Council Appointments

Resumes and letters of interest have been received from:

- Quentin Lovejoy
- Troy Green
- Huston Jack
- John Feighert IV
- Mary Thompson

Resolution 2016-24 calls for appointment of no more than eight (8) members to the Advocacy Council. The *Cameron Citizen Observer* published a notice in the paper and featured an article about the Advocacy Council, Staff put it on the City website as well as the City Facebook page.

Discussion on the final number you wish to appoint and avenues to solicit more individuals, if Council so desires, would be appropriate at this time.

Please review the resumes/letters of interest for potential appointments. Appointments can be made by motion and voice vote.
