RESOLUTION 2017-8

AGENDA ITEM

TO: Mayor and City Council

FROM: Drew Bontrager, Public Works Director

SUBJECT: **Purchase F550 Dump Bed & Associated Snow Removal Equipment**

DATE: March 6, 2017

PURPOSE
The attached bill would authorize the City Manager to execute an agreement with Shawnee Mission Ford for the purchase of a 2017, F550 dump bed and associated snow removal equipment.

BID PROCEDURE
Resolution 2004-16 petitioned the Missouri Department of Transportation for acceptance of membership into the Cooperative Procurement Program under Missouri State Statutes Chapter 67.360, RSMo, which authorizes political subdivisions to participate in a joint purchasing program with the State of Missouri.

Shawnee Mission Ford was awarded one of the Missouri Department of Transportation's Bid #3-170105TV Medium Duty Vehicles. The associated snow removal equipment is also included with the Shawnee Mission Ford purchase package.

According to the State of Missouri website, Chevrolet does not offer this item, and there were only three Dodge dealers. Their locations are Columbia, Jefferson City and St. Louis. There were a total of nineteen different bids on the Fords, but Shawnee Mission Ford is the only relatively local dealer offering the cab & chassis along with the bed and snow removal equipment.

DISCUSSION & FINANCING
This is a standard 2017, F550 regular cab, four wheel drive dump bed truck and will replace a 1994 F350 dump bed. Included with the bid is the associated snow removal equipment which includes the salt spreader, dump bed, and the hydraulics and controller package to run the spreader. This spreader will replace one of the aging small truck spreaders; which will be sold as surplus to help off-set the cost of the proposed unit.

The price of truck cab and chassis is $43,981.00, with a totaled delivered price of $69,804.00 for a complete unit. Funding for this purchase is included in the Street Department Capital Projects. Delivery of the unit is scheduled for 120-150 days from the date of Council approval.

RECOMMENDATION
We are recommending the Council adopt the attached bill authorizing the City Manager to sign the agreement with Shawnee Mission Ford.
