RE: **Annual Write-Off – Uncollectible Utility Accounts**

Issues

Council has the authority to write off bad debts. Staff has implemented an annual write off for uncollectible utility accounts. To that end, Ordinance 5189 was passed February 2005 allowing Staff to write off past due accounts.

Staff reviewed accounts and prepared the attached list for 2017 (totaling $25,050.42) for your consideration. This amount is slightly less than last year's amount but in line with previous years. The 2017 list contains accounts that are three (3) years old or older.

Discussion

City Staff works to decrease this amount each year. In the past, accounts have been sent to a collection agency for collection. Their efforts yielded little to no success on these delinquent accounts. Now, collection efforts are done in house. The City also has the ability to take a limited number of individuals to small claims court each year. This may be an option for several of the larger accounts. We have also looked at raising deposits and other options to help limit these annual losses.

Recommendation

Staff recommends approval of this bill on full reading following your review.
