RE: **Agreement for Use of City Property for Model Aircraft Operation**

PURPOSE

The attached bill would authorize the City Manager to enter into an agreement with the Cameron Dragonflies R/C Club for the use of city owned property to operate model aircraft.

BACKGROUND

There are many model aircraft enthusiasts in and around the city, and that the making and flying of model aircraft is recognized as a healthy and constructive activity. However, at this time there is no area in the City specifically designated as a location for the flying of model aircraft. The city owns and maintains a closed landfill located at 6700 NE Gridley Road, with limited options for use of this ground. The Cameron Dragonflies R/C Model Club proposed use of the landfill property for model aircraft is an acceptable use. Therefore, the Cameron Dragonflies R/C Model Club desires to utilize a portion of the Landfill property pursuant to the Use Agreement.

The Agreement will allow use of the area for model aircraft by anyone, as long as certain guidelines are followed. The Dragonflies R/C Model Club shall administer the model aircraft area of the Property, shall provide on-site supervision during the times which their aircraft are flying and shall post or adequately inform members or other persons flying at the model aircraft area of rules and regulations pertaining to the use of model aircraft. Specifically, the Dragonflies shall ensure that persons, whether a member or non-member, flying model aircraft in the model aircraft area strictly adhere to the AMA National Model Aircraft Safety Code.

RECOMMENDATION

We recommend approval of the attached Agreement with the Cameron Dragonflies R/C Club.
