Re: Manager's Report

Animal Shelter – Nada Woodworth has volunteered to be part of the committee to work on the animal shelter plan. There may be one or two others to work on the committee, as well. The first meeting will be held in the next week or so, and a list of area shelters is being developed that would be good sites for touring.

Cameron Historical Video – We now have the Cameron historical video on wall-mounted display near the front counter of City Hall. It is a short video, depicting life in Cameron in years past, and people can watch it while they are transacting business at City Hall.

Community Betterment – This year's Community Betterment Award judging will take place in September. There will be five projects submitted for this year's competition. Thanks to Jack Briggs, who again has taken on the MCB program. At last report, there were five projects to be submitted:

1. Drew Bontrager (Nada Woodworth) for the Tree Planting project
2. Gina Reed for the Fine Arts portion
3. Mary Jo Eiberger for the Homeruns for Rose
4. Drew for the sidewalk over Highway 36 effort
5. Deidra Wilson for the two community playhouses

Economic Development Report by Rumery & Associates – Report is given at the Council meeting, usually on a monthly basis.
