**AGENDA ITEM**

**TO:** Mayor and City Council

**FROM:** Drew Bontrager, Public Works Director

**DATE:** October 2, 2017

**RE:** **2017 Asphalt Street Project Agreement**

## PURPOSE

The attached bill accepts the bids for the Cameron 2017 Asphalt Street Project and authorizes the City Manager to enter into an agreement with Keller Construction for the asphalt construction improvements for the 2017 Asphalt Street Project.

## DISCUSSION

There were a total of three bids received for this project. Keller Construction submitted the low base bid of $315,189.00. The bid tab and the map of street sections are attached for your review. Major street sections include Sam Den Circle, Sam G. Hiner, Timberline Drive, Carriage Lane, N. Harris half lane, Comfort Lane, E. 4th Street, and a section of roadway in Packard Cemetery.

There is also full depth reconstruction of S. West Street from Euclid to Flamingo. This section of street was identified on the Street Improvement Tax list and will be paid through the street sales tax fund. The other streets are estimated at $200,000 and are funded through the general street maintenance line; which has approximately $257,000 remaining.

## RECOMMENDATION

Keller Construction has worked with the City on projects in the past. Each of those projects has been successful. We have all the required documents and executed contract from Keller Construction and are recommending accepting the bids and entering into an Agreement with Keller Construction for the 2017 Asphalt Street Project with a base bid of $315,189.00.

We are requesting a full reading and approval of this bill at tonight's meeting to get this project completed as soon as possible.
