RE: TIF Appointment

Issues

The City's TIF Commission has two members with terms expiring this year. Dennis M. Clark currently serves on the Commission and would like to resume his duties as a member. The other term is that of Bill Hall, who no longer desires to serve.

The City Clerk advertised for interested parties to serve on the TIF Commission and we received one application, Quinten Lovejoy.

Recommendation

The Mayor appoints TIF Commission members with consent of the City Council.
