RE: **Cemetery Board Appointments**

The Cemetery Board is a five-member board who serve at the pleasure of the Council and are required to meet at least annually. There has been a vacant seat on the Cemetery Board for several years.

At the annual Cemetery Board Meeting held on May 7th, Sylvia Fenn expressed an interest in serving on the board. Sylvia is a long-time citizen who resides on South Chestnut Street and has been active with the area Girl Scouts.

Staff recommends appointing Sylvia Fenn to the Cemetery Board.
