AGENDA ITEM

RE: **State Block Grant Agreement 18-013A-1 Hangar Renovation**

BACKGROUND

This is an agreement with the Missouri Highway and Transportation Commission for acceptance of the grant monies through the State Block Grant Program associated with the Hangar Renovation project and will cover 90% of the engineering costs associated with design and inspection.

FUNDING

The initial amount of this grant is up to $86,994.00 and will allocate our remaining 2015 Non-Primary Entitlement grant funds and a small portion of our 2016 funding. This does require a 10 % match or $9,666.00. The grant funds have to be accepted and obligated before the end of September, in order to remain valid. These are both not to exceed amounts. We do anticipate costs less than the actual full grant amount allocated and subsequent match. Any unused 2016 funds will carry over to the next project.

RECOMMENDATION

We recommend execution of the State Block Agreement with the Missouri Highways and Transportation Commission to accept the grant funds.
