RE: Region D Recycling & Waste Management Appointment

Issue:
In April of this year, Councilmember Feighert was appointed as one of two Region D representatives for the City of Cameron. When notification of this change was sent to Region D, the reappointment of Drew Bontrager as a representative was not included. Region D has requested an updated appointment letter if the City wishes for Mr. Bontrager to continue as a representative for the City of Cameron.

Recommendation:

Consider reappointing Drew Bontrager to the Region D Recycling and Waste Management District.
