RESOLUTION 2018-35

AGENDA ITEM

TO: Mayor and City Council

FROM: Drew Bontrager, Public Works Director

DATE: September, 20 2018

RE: **2018 Asphalt Street Project Agreement**

PURPOSE

The attached Resolution accepts the bid for the 2018 Asphalt Street Project and authorizes the Interim City Manager to enter into an agreement with Metro Asphalt Inc. for asphalt construction improvements for the 2018 Asphalt Street Project.

DISCUSSION

There was only one bid received for this project. Metro Asphalt, Inc. submitted the low base bid of $247,148.60, with a bid alternate of $449,372.80. Major street sections include North Harris, West Prospect, West Fourth Street & West Street and sections of roadway in Packard Cemetery, trails and patch work. The bid sheet is included for your review.
There is also full depth reconstruction of Oak Avenue from Third to Fourth. These streets are funded through the general street maintenance line; which has approximately $268,000 remaining.

There is also a bid alternate included in the bid sheet for Grand River Township work. This work is for the paving of some roads around the reservoir trails and recreation areas. Any work they decide to do we will receive a written commitment and funding from the Township. This bid is based on unit cost price, not a total dollar amount. We do anticipate the final amount less than the total bid amount.

RECOMMENDATION

Metro Asphalt, Inc. has worked with the City on projects in the past. Each of those projects has been successful. We have all the required documents from Metro Asphalt, Inc. and are recommending accepting the bids and entering into an Agreement with Metro Asphalt, Inc. for the 2018 Asphalt Street Project.
