RE: Planning and Zoning Commission Application and Reappointment

Issues

The term for current P&Z member Mark Garges will expire in June. Mark Garges, who is a long time resident of Cameron, would like to remain on the board. Mark is very knowledgeable about working with investors, builders, and contractors on development projects. Mr. Garges has been very instrumental with providing support to City staff on several projects within the community.

Recommendation

Staff supports the reappointment of Mark Garges to help foster growth for the City of Cameron.
