RESOLUTION 2019-17

AGENDA ITEM

TO: Mayor and City Council

FROM: Drew Bontrager, Public Works Director

DATE: June 17, 2019

RE: **2019 Asphalt Street Project Agreement**

PURPOSE

The attached Resolution accepts the bids for the Cameron 2019 Asphalt Street Project and authorizes the Manager to enter into an agreement with Emery Sapp & Sons, Inc for the asphalt construction improvements for the 2019 Asphalt Street Project.

DISCUSSION & FINANCING

There was only one responsive bid received for this project. Emery Sapp & Sons, Inc submitted the low base bid of $358,179.00. Major street sections include W Prospect, full depth reconstruction of Oak Avenue from Third to Fourth and Park Ave from High to Seminary. These streets are funded through the general street maintenance line which was initially funded with $150,000. The Public Works Committee has recommended a budget adjustment of $150,000 increase from reserves to help complete more street projects.

There is also work for completion of trails and the parking areas at both Reservoir and Summit Roads. Funding for the trails work is through a $200,000 trail grant reimbursement. Additionally, Grand River Township is contributing $50,000 to pave the parking area off Summit Road. This will be contributed over a five year period.

This bid is based on unit cost price, not a total dollar amount. Initially, there were more streets planned, but with all of the flooding we have seen above average pricing and had to cut streets out of this agreement. We have agreed on a contract unit pricing amount of approximately $250,000. Again, this project is bid on unit pricing, not a lump sum.

RECOMMENDATION

Emery Sapp & Sons, Inc has submitted all the required documents. We are recommending accepting the bids and entering into an Agreement with Emery Sapp & Sons, Inc for the 2019 Asphalt Street Project.
