RE: **Hangar Renovations Project – Luke Kush's Painting, Inc Agreement**

BACKGROUND

The Airport is responsible for maintaining our hangars; which include enclosed t-hangars, open t-hangars, maintenance hangars, and box hangars. All are in need of spot metal repairs and painting. This project was advertised and bids were opened on May 21st. We received a total of three bids with the low responsive bid of $330,808 from Luke Kush's Painting, Inc.

Funding for this project comes from grant money or Non-Primary Entitlement funds. This does require a ten percent match, and is included in our current budget.

RECOMMENDATION

The Public Works Committee has reviewed this project. Staff, MoDot and our consultants Jviation recommend approval to enter into the contract agreement with Luke Kush's Painting, Inc for the Hangar Renovation Project.
