RE: Fourth of July Art and Wine Tasting Catering Permit

Issues

The City of Cameron, along with other partnering organizations, has collectively worked on organizing a fun-filled Fourth of July weekend. During the week of July 4th through July 6th there will be many activities in and around McCorkle Park and Recreation Park. Fence Stile Vineyard & Winery will be participating in the Art and Wine Tasting event activities in McCorkle Park (see attached map). The special 4th of July volunteer group has worked numerous hours in recruiting participants for the Fourth of July weekend. Fence Stile will be serving wine in and around McCorkle Park as part of the festivities. They have been informed on the City of Cameron's process for a catering permit and have submitted the necessary documents for submittal. If approved, a City of Cameron Caterer's permit will be issued once a copy of the State of Missouri caterer's permit is provided.

Recommendation

City staff along with the 4th of July volunteer group support the catering permit.
