RESOLUTION 2019-23

AGENDA ITEM

TO: Mayor and City Council

FROM: Public Works Director, Drew Bontrager

DATE: July 15, 2019

RE: **M&M Utilities, LLC- Ashland Drive Project Award of Contract**

PURPOSE

The attached resolution authorizes the City Manager to execute an agreement with M&M Utilities, LLC for the Ashland Drive Project.

BACKGROUND

This is one of the projects listed as part of the Street Improvement Sales Tax. Improvements will occur on Ashland Drive, from Eighth to Grand and includes the intersection of Harris Lane. In addition to the complete replacement of the street, sidewalks, stormwater and right-of-way work, the complete replacement of the sanitary and water mains is also included in the project.

The City Council awarded the bid to M&M Utilities, LLC as the low and best bid, with a base bid, and asphalt pavement alternate A, for a total bid of $1,763,460.25, at the July 1, 2019 regular Council Meeting. M&M Utilities, LLC has since submitted all the required information, including an executed agreement.

The Council recommended completing the northern portion, where heavier truck traffic occurs, in concrete and the remainder in asphalt. The additional cost for the entire project in concrete was $160,687.80. Therefore, even if concrete is half of the project, or an approximate $80,000 increase for concrete; the City should be able to issue a change order for the increase of concrete section.

RECOMMENDATION

Bartlett & West and city staff recommend authorizing the City Manager to execute the Agreement with M&M Utilities, LLC for the Ashland Drive Project.
