RE: Mutual Aid Agreements

Purpose

Mutual Aid Agreements are a vital tool for municipalities. The primary objective is to facilitate rapid, short-term deployment of emergency support prior to, during, and after an incident. Signed agreements do not obligate the receipt of aid, but rather provides a tool for use should the incident dictate a need. The Utility Department participates in mutual aid agreements through the Missouri Public Utility Alliance (MPUA) and the American Public Power Association (APPA). These agreements need to be updated and reviewed periodically to ensure they are kept current with changing federal and state regulations.

This ordinance would authorize the Mayor to sign the Mutual Aid Agreements with MPUA and the APPA.
