RE: **Missouri Highways and Transportation Commission STP-Emergency Relief Funds Agreement E Grand Avenue Flooding**

PURPOSE

The attached bill authorizes the City Manager to execute an Agreement with the Missouri Highways and Transportation Committee to accept funds for emergency relief for work completed on E Grand Avenue.

DISCUSSION & FINANCING

In 2016, the City completed work related to FEMA Disaster 4238, declared for the period of May 15, 2015 through July 27, 2015. There were multiple other projects associated and already paid and closed as part of this disaster. However, because the work on E. Grand occurred on an STP approved route, reimbursement monies have to funnel through the Missouri Highway Commission from the Federal Highway Commission. This project was initially assigned the project number MO-15-01. Our local MoDOT district office has requested we enter into an Emergency Relief Funds Program Agreement, Number STP-9900(132) for their tracking purposes.

We anticipate minimum funding reimbursement of $12,320 for this completed work.

RECOMMENDATION

We are recommending the Council adopt the attached bill authorizing the City Manager to sign the STP-Emergency Relief Funds Agreement E. Grand with the Missouri Highways and Transportation Commission.
