Agenda Item

TO: Mayor and City Council

FROM: Zachary Johnson, Director of Utilities

DATE: April 6, 2020

RE: Bob Griffin Road Sewer Main Extension

Purpose

There are still a few remaining areas within the city limits that currently do not have access to city sewer. One of these areas is located along Bob Griffin Road. We have been working with HDR to design a sewer main extension that would allow for potential customers on Bob Griffin Rd to have access to sewer. The estimated cost of this extension was $300,000.

We advertised for bids and received 5 bids at our bid opening on March 24th. HDR evaluated the bid and determined Blue Nile Contractors, Inc. to be the lowest and best bid. Their bid was in the amount of $249,569.41.

Recommendation

Staff recommends the Council pass the Resolution to accept the bid from Blue Nile Contractors for the construction of the Bob Griffin Road Sewer Main Extension. Funds for this expenditure have been taken into account when preparing the 2019-20 Budget.
