RE: Annual Liquor License Approvals

Issue:

Liquor licenses expire June 30th each year. This year, in light of the Covid-19 pandemic the expiration date has been extended until August 31st. Fortunately, some businesses are prepared to renew their licenses before that deadline. There will likely be liquor licenses for your approval for the next several meetings as they are completed. As always, the City of Cameron liquor license is only valid in conjunction with the appropriate County and State liquor licenses. The Police Chief, Fire Chief and Building Inspector also review the renewals before they are submitted for Council approval.

Letters of approval will be issued to the approved applicants. A City of Cameron License will be issued when the applicant provides a copy of their renewed State of Missouri Liquor License.

The following businesses have successfully submitted their liquor license renewal documents:

- Walmart Original Package & Sunday Original Package
- The Cameron Market Original Package & Sunday Original Package

Recommendation:

Staff recommends approval.
