RESOLUTION 2020-28

Agenda Item

TO: Mayor & City Council

FROM: Public Works Director Drew Bontrager

DATE: August 3, 2020

RE: Solid Waste Contract Extension Amendment

PURPOSE

The proposed Bill authorizes the City Manager to execute the first amendment to the solid waste collection agreement with R & W Container for the residential waste collection.

BACKGROUND

The current Residential Solid Waste Collection Contract is with R & W Container. The agreement commenced October 1, 2018 and ends September 30, 2020. The agreement allows for the City to extend the contract for consecutive terms, at a negotiated price or prices submitted by contractor for such terms.

The City has been pleased with the work performed by the contractor, and based off negotiations and staff experience the price for the contract amendment is fair, and the best option available. The current contract rate is $11.00 per month for each residential dwelling unit. The proposed increase is only $.50, bringing the total to $11.50 per month, per unit, for the period of October 1, 2020 through September 30, 2022. There are no other changes to the contract.

The Public Works Committee is considering options for some type of large trash collection. Since the current agreement requires the contractor to provide large trash drop-off and curbside collection, any additional collection would be a separate agreement.

RECOMMENDATION

City Staff recommend authorizing the City Manager to execute the Amendment with R &W Container for another two-year term.
