RE: Park Board Appointment

Issues

Rich Whalen resigned from the Park Board effective August 5, 2020. This has left a vacancy on the board to be filled. A general advertisement was published in August requesting interested parties apply for any/all boards and commissions. The Park Board had four applications to consider: Chris Wilkinson, Brittany Murdock, Kevin Moore and Quinten Lovejoy. At the Park Board's August 27th meeting, the board recommended the appointment of Chris Wilkinson to fill the vacancy. The remaining applications will be kept on file for consideration for future appointments.
